

Coalition for a Drug-Free Clermont County

The Coalition for a Drug-Free Clermont County is part of the larger Coalition for a Drug-Free Cincinnati. The mission of the Coalition is to provide education to help reduce and ultimately prevent substance use and abuse. The Coalition believes that education is the key to prevention. The Coalition targets elementary school children through sponsorship of the annual **RED RIBBON EVENT**. The Red Ribbon Event will be held at The Union Township Center Gym on October 18, 2007. The Coalition works with high school youth to prevent substance abuse by promoting the **AFTER PROM EVENTS** at local high schools. High schools can apply for funding to sponsor an after prom event at their school. Contact Lee Ann Watson at (513) 732-5406 for more information
